The LEA's officers, employees, board members, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors. To the extent permissible under state law, rules, or regulations, such standards shall be provided for appropriate penalties, sanctions, or other disciplinary actions to be applied for violations of such standards.

Competition

All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of this section. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. (2 CFR 200.319)

Some of the situations considered to be restrictive of competition include but are not limited to:

- Placing unreasonable requirements on firms in order for them to qualify to do business;
- Requiring unnecessary experience and excessive bonding;
- Noncompetitive pricing practices between firms or between affiliated companies;
- Noncompetitive contracts to consultants that are on retainer contracts;
- Organizational conflicts of interest;
- Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance or other relevant requirements of the procurement; and any arbitrary action in the procurement process

RFP/Contract Additional Provisions

Additional requests made by the FSMC are to be included on this page. FSMC additional RFP/contract provisions must be reviewed and approved by the SA.

General Information – Terms and Conditions to be Included in RFP\Contract (Pages 16-29)

The LEA wishes to retain the FSMC to provide certain food and food related services at the sites specified by the LEA.

The contract is acknowledged by the LEA and FSMC to be satisfactory and adequate. Both parties agree as follows:

1. The food service program provided shall be operated and maintained as a benefit to the LEA students, faculty, and staff.
2. The FSMC must give evidence of financial stability.
3. The FSMC must be licensed to do business in the State of Missouri.
4. Award shall be made to a qualified and responsible offer whose proposal is most responsive to this solicitation. A responsible offer is one who's financial, technical, and other resources indicate an ability to perform the services required by this solicitation.
5. The FSMC or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the FSMCs own risk and cannot secure relief on the plea of error.
6. The LEA is not liable for any cost incurred by the FSMC prior to the signing of a contract by all parties. **Paying the FSMC from the Child Nutrition Program funds is prohibited until the contract is approved by the SA, and signed by both parties.**
7. Provisions for equipment purchases that entail repayment to the FSMC over a period in excess of one year are not permitted.
8. No oral interpretation will be made to any FSMC as to the meaning of the RFP. Any oral communication will be considered unofficial and non-binding on the LEA. Unauthorized contact by the FSMC with other LEA employees or LEA Board Member regarding the RFP may result in disqualification. Each request for such interpretation shall be made in writing to the LEA. Every interpretation made to the FSMC will be in the form of an addendum to the specification, mailed to each FSMC, and will be on file at the school. All such addenda shall become part of the final contract and FSMC shall be bound by such addenda.
9. In the event the contract initially awarded by the LEA is terminated for any reason within 120 days of the due date for proposals, the LEA reserves the right to accept any other submitted proposal in conformance to the requirements of this solicitation including submission by the original date by which such proposals where due.

Intent

1. The FSMC shall conduct the food service in such a manner as will ensure compliance with the rules and regulations of the SA and the USDA regarding Child Nutrition Programs.
2. The LEA is prohibited from entering into contracts that are on a "cost-plus-a-percentage of cost" or "cost-plus-a-percentage-of-income" basis.
3. If the LEA determines that significant changes are necessary, the LEA must rebid the contract. The following changes would normally not substantially change the contract.

Number of schools - new schools added;

Changes in enrollment - decreased and increased in student enrollment and the corresponding change expected in participation;

Changes in meal prices charged to students by LEA - meal price changes (determined by the LEA);

Cost increases - cost increases limited to a measurable index (such as the Consumer Price Index for all Urban Consumers). Examples of substantive changes which could require the LEA to rebid the contract include; the addition of a program, such as the SBP; major changes to the formula for determining meal equivalency; a major shift in responsibilities for the LEA/FSMC staff.

4. The FSMC shall cooperate with the LEA in promoting nutrition education and coordinating the LEA's food service with classroom instructions.
5. The LEA reserves the right to maintain present food and beverage vending machines in its facilities.
6. The FSMC will be required to use the LEA's point of sale software. Information regarding the software will be available at the pre-bid conference.
7. The FSMC shall be an independent contractor and not an employee of the LEA. The employees of the FSMC shall not be employees of the LEA.
8. The FSMC shall provide additional food service, such as banquets, parties, refreshments for meetings, etc, as requested by the LEA. The LEA or requesting organization will be billed for the actual cost of food, supplies, labor, and the FSMC's overhead and administrative expense if applicable to providing such service. USDA donated foods shall not be used for these special functions.
9. This contract constitutes the entire agreement between the LEA and the FSMC and may not be changed, extended orally, or altered by cause of conduct.
10. No provision of this contract shall be assigned or subcontracted without prior written consent of the LEA.
11. Any agreement between the LEA and the FSMC shall be subject to approval by the SA.

Duration and Termination

1. This contract shall be for duration of no longer than one year; and options for the yearly renewal of a contract may not exceed four (4) additional years. (7 CFR 210.16(d))
2. Either party may cancel for cause with 60 day notification. (7CFR210.16(d))
3. Any amendment, addendum, and/or renewal to the contract shall become effective at the time specified and must be sent to the SA.
4. Neither the FSMC nor the LEA shall be responsible for any losses resulting if the fulfillment of the terms of the contract is delayed or prevented by wars, acts of public enemies, strikes, fires, floods, acts of God, or any other acts which could not have been prevented by the exercise of due diligence.
5. Ensure that the SA has reviewed and approved contract terms and that the LEA has incorporated all SA required changes into the contract or amendment before any contract or amendment to an existing FSMC contract is executed. Any changes made by the LEA or FSMC to a SA pre-approved prototype contract or SA approved contract term must be approved in writing by the SA before the contract is executed. When requested, the LEA must submit all procurement documents, including responses submitted by potential contractors, to the SA, by the due date established by the SA. (7 CFR 210.16(a)(10))

In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States").
