

## *De Soto #73 Public School District*

*Ensuring learning, growth, and success for all.*

### **Technology Support Technician Tier II**

**Position Summary:** The goal of the Technology Support Technician Tier II is to assist the Director of Technology with the coordination of technological application in the instruction and administrative operations of the District. The Technology Support Technician Tier II will assist with the development, implementation, refinement, and evaluation of the long range plan for the application of computers and other technologies in all District programs. They will also assist with the troubleshooting and repair of District devices and provide support to students, parents, and employees.

#### **Basic Requirements:**

1. Associate's Degree or 2 years of related experience in technology preferred.
2. Experience leading a team.
3. Experience in Windows 10 and Google (G.Suite) preferred.
4. Knowledge of computer installation, maintenance, and software support to perform computer troubleshooting.
5. Knowledge of desktop systems and applications in a networked environment.
6. Ability to communicate both verbally and in writing, and interact effectively with all aspects of the school community is required.
7. Ability to work independently and as part of a team.
8. Ability to meet deadlines with severe time constraints.
9. Excellent human relations skills.

#### **Universal District Expectations:**

1. Recognize that every position in the district contributes to student academic achievement and serves as a role model for all students.
2. Lead within your department/building to create learning environments and experiences that directly contribute to student academic achievement.
3. Collaborate to identify and respond to student needs in order to support academic achievement.
4. Prepare for work in a way that supports student academic achievement.
5. Engage in positive interactions and strengthen relationships with families and community members to support students' academic achievement.
6. Actively participate in district processes to support continuous improvement aimed at increased student academic achievement.
