

# De Soto Elementary Title I Parent-School Learning Compact

De Soto Elementary Schools have the benefit of being identified as a Title I *Schoolwide* School. This means that we are afforded the opportunity to use all of our Title I Federal Funds for the betterment of our school as a whole.

This does not change the currently offered Title I program--we will still be supporting students through small group instruction. It simply means that we can be more flexible in how we allocate the resources we have that were purchased with federal funds.

This Compact serves to notify you of our commitment to our students as a Title I Schoolwide School and to invite you to acknowledge our partnership in helping our students learn.
